Messages for the Month

YOU are responsible for finding a sub.

Please try to arrive by 20 minutes before the service.

First choice substitutes not on the schedule

Senior Guild	Junior Guild

Trying something new! ... If you are not in the schedule boxes above then you are a "sub" this month. Please watch out for emails asking for help with a sub and IF you are available, then please SAY YES !!

Let's see how this works. I'm not sure anyone reads the sub list to FIND a sub anymore. Time and tech has moved on. Most of you just flash out a "help needed" email which is the modern way to do it !! And I love that so many of you DO say yes and help out. THIS IS WHAT WE ARE ABOUT!!
